That it appears from the petition and affidavit of the petitioner, that he enlisted into the service in the year 1775, for nine months, under Capt. Mills, and was attached to Col. James Holmes' regiment; that he marched with said regiment into Canada, and was at the taking of St. Johns and Montreal; that he received an honorable discharge from said service after the expiration of said enlistment.

That it also appears, that he was afterwards in the service; that he was in the battle of the White Plains, in the State of New York; and that he was in the service the greater part of the war; which facts are fully proved by the testimony of Abijah Harris and James Raymond, soldiers of the revolution. It likewise appears, that the petitioner is 84 years of age, and is in indigent circumstances, and needs the assistance of his country for his support. The committee are of opinion, that the petitioner is entitled to a pension, and therefore report a bill,
